Software Use Analysis 2.2

For information about downloading and updating the catalog, see:

http://pic.dhe.ibm.com/infocenter/tivihelp/v26r1/topic/com.ibm.tem.doc_9.0/SUA_2.2/com.ibm.sua.admin.doc/t Updating software catalogs without customization.html

If you are using Software Knowledge Base Toolkit to customize your catalog, see:

http://pic.dhe.ibm.com/infocenter/tivihelp/v26r1/topic/com.ibm.tem.doc_9.0/SUA_2.2/com.ibm.sua.admin.doc/t Publishing software catalog skb.html

Software Use Analysis 2.0 and 2.1

For information about downloading and updating the catalog, see:

http://pic.dhe.ibm.com/infocenter/tivihelp/v26r1/topic/com.ibm.tem.doc_9.0/SUA_2.0.1/com.ibm.srf.doc_3.1.0/doc/com.ibm.sua.admin.doc/t Updating software catalogs without customization.html

If you are using Software Knowledge Base Toolkit to customize your catalog, see:

http://pic.dhe.ibm.com/infocenter/tivihelp/v26r1/topic/com.ibm.tem.doc_9.0/SUA_2.0.1/com.ibm.srf.doc_3.1.0/doc/com.ibm.sua.admin.doc/t Updating software catalogs.html

Software Use Analysis 1.3

The SUA 1 catalog is distributed through a fixlet provided in the IBM Endpoint Manager Console:

1. From the IBM Endpoint Manager Console, select Systems Lifecycle from the bottom of the left hand navigation bar.
2. On the navigation bar of the Endpoint Manager console, click Tivoli Endpoint Manager for Software Use Analysis > Software Catalog Update > Download Software Catalog Update for SUA 1.x.
3. In the upper-right pane, click Software Catalog update.
4. In the lower pane, click Take Action and then OK.
